MKANGO RESOURCES ISSUES SCHEDULE 1 PRE-ADMISSION ANNOUNCEMENT IN RELATION TO ADMISSION TO AIM

THIS NEWS RELEASE IS NOT FOR DISSEMINATION IN THE UNITED STATES OR FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES

Calgary, Alberta: May 31, 2016 – Mkango Resources Ltd. (TSXV-MKA) (the “**Corporation**” or “**Mkango**”) is pleased to announce that it has published an AIM Schedule 1 Announcement in order to admit its shares to trading on the AIM market (“**AIM**”) of the London Stock Exchange. The Directors expect that admission will become effective and that dealings in the Common Shares will commence on AIM on 15 June 2016 or shortly thereafter. The Corporation will continue to be listed on the TSX Venture Exchange. The Schedule 1 Announcement and the Admission Document prepared in connection with the admission to AIM will be available under the Corporation’s profile at www.sedar.com.

As previously announced on May 24, 2016, the Company has received commitments for over £1 million (approximately C\$1.9 million) conditional on admission to AIM by 30 June 2016.

As previously announced, in conjunction with and subject to successful completion of both the Placing and admission to AIM, the Corporation proposes to undertake a three to one consolidation (the “**Consolidation**”) on the basis of three (3) pre-Consolidation shares for one (1) post-Consolidation share. The Consolidation would have the effect of reducing the number of shares outstanding prior to the Placing from 121,256,956 to 40,418,985.

Under the terms of the Placing, the Corporation will issue 30,303,030 post-Consolidation units (the “**Units**”) at a post-Consolidation price of 3.3 pence per Unit.

Each Unit will consist of one common share of the Corporation (a “**Common Share**”) and one Common Share purchase warrant (a “**Warrant**”). Each whole Warrant will entitle the holder to acquire one Common Share at a price of 6.6 pence for a period of 3 years following the closing date of the Placing.

If the closing price of the Common Shares on AIM exceeds 19.8 pence for at least 20 consecutive trading days following the date that is four months after the date of issuance of the Warrants, the Corporation shall have the right, exercisable within three business days thereafter, to accelerate the expiry of the Warrants to 20 business days after the issuance of a news release announcing the new expiry date.

The expected proceeds of the Placing will provide the Corporation with sufficient working capital for a minimum period of one and a half years from completion of the Placing.

SP Angel is Nominated Advisor and Broker in relation to the proposed admission to AIM, and Jub Capital has been appointed placing agent for the Placing.

Units will be offered and sold only to persons in jurisdictions to whom Units may be offered and sold pursuant to the Placing without breach of applicable securities laws.

The Placing, and any fees paid in connection therewith, and the proposed Consolidation is subject to the approval of the TSX Venture Exchange. The securities issued in connection with the Placing, will be subject to the applicable four month hold periods in Canada, in accordance with applicable securities laws and the rules of the TSX-V.
